

ST BENET'S HALL

UNIVERSITY OF OXFORD

Meal and Facilities Options for Graduates 2020-21

St Benet's Hall encourages all its members; undergraduate, graduate, tutors and staff to eat at the common table, as this helps build community. However, we recognise that the pressures on graduates (in particular for subjects such as the MBA and MPP) mean that this is not always feasible and St Benet's has a number of meal and facilities options for graduate students who are not living in 38 St Giles' or 11 Norham Gardens. These are:

<u>Option</u>	<u>Description</u>	<u>Cost per term and vacation</u>
100%	All breakfasts In term all lunches and dinners, seven days a week. Out of term lunch five days a week Free laundry facilities and up to £10 per term printing	£603.85
60%	All breakfasts In term about 60% of lunches and dinners. In practice this would probably mean four lunches and five evening meals a week in term time. Out of term, about 60% of lunches would mean three lunches a week. Free laundry facilities and up to £10 per term printing	£362.30
30%	All breakfasts In term about 30% of lunches and dinners. In practice this would probably mean two lunches and two evening meals a week in term time. Out of term, about 30% of lunches would mean two lunches a week. Free laundry facilities and up to £10 per term printing	£181.16
Minimum	All breakfasts In term about 10% of lunches and dinners. In practice this would probably mean one lunch and one evening meal a week in term time. Out of term, it would mean one or two lunches a week. Free laundry facilities and up to £10 per term printing	£99.90

All meals are in the Refectory in 38 St Giles'. Signing in for meals (not needed for breakfast) is via the meal app.
