Graduates – Living Out

St Benet's Hall encourages all its members; undergraduate, graduate, tutors and staff to eat at its common table, as this helps build community. However, we recognise that the pressures on graduates (in particular for subjects such as the MBA and MPP) mean that this is not always feasible and St Benet's has a number of meal and facilities options for graduate students who are not living in 38 St Giles' or 11 Norham Gardens. Please see the separate graduate living out meal options table.

Guest Charges

	Lunch	£2.20
	Dinner	£3.30
	Formal Meals (Tues, Thurs Dinner & Sun Lunch)	£5.50

Notes:

For details of the **tuition and college fees** please see the University of Oxford web page: <http://www.ox.ac.uk/students/fees-funding/fees/>

The room charge for undergraduates is calculated on the basis of £177.10 a week includes occupation from Sunday of 0th week (6 October 2019) in the Michaelmas term (Wednesday for upper year students), and from Thursday in Hilary and Trinity terms. This provides the standard 178 nights in residence on which all Colleges calculate use of rooms. If you are taking **exams** outside of these dates, if a room is available, it will be free of charge for 2 days prior to your exams and the night at the end of your exams.

Use of the laundry and other Hall facilities is included within the Meals and Facilities Charge for all members.

Meal charges are at a flat rate for the entire term, for the same dates as the room charge, calculated at £12.70 per day. Undergraduates living out are charged less, £8.00 a day, because they are likely to eat fewer meals in Hall. All are asked to book for lunch and dinner so that the kitchen knows numbers. Booking is made as easy as possible. A waste charge of £2 is imposed for all meals booked and not taken (up to three missed meals per term are not charged). Members may not come to a meal for which they have not booked.

There is no additional charge for **drinks** (including wine at formals) at meal times as this is included in the Meals and Facilities Charge.

Guests may be invited to lunch, tea or dinner. There is no charge for guests at tea but please see table of charges for guests attending other meals. Members should sign in according to space available.

Graduate students wishing to start earlier than Thursday -1th week (3 Oct 2019) can do so with agreement with the Bursar.

Undergraduate access to the Hall is restricted to terms, from 0th week to the end of 8th week unless particular arrangements are agreed. Finalists living in Hall can remain in residence during the Easter vacation (except for Good Friday to Easter Monday inclusive).

The Hall will be closed from 21st December to 6th January inclusive, and from Good Friday to Easter Monday inclusive, and no catering is provided over those periods.
